

<b>Activity Name</b>	“National Technology Day” celebration
<b>Date of Activity</b>	11 <sup>th</sup> May 2023 (Thursday)
<b>Mode of Conduct</b>	Offline
<b>Time</b>	<b>Time:</b> 02:00 PM to 8:00 PM

	<b>Duration:</b> 6:00 hour
<b>Mandatory/Elective</b>	Elective
<b>Participants</b>	<b>No. Of Student participants: 300</b> <b>No. Of Faculty participants: 15</b>
<b>Description</b>	
<p><b>*National Technology Day celebrated at Gautam Buddha University*</b></p> <p>The Techno Cultural Club of our university is a platform where students can come together to learn, collaborate, and develop their technical skills. We provide students with the opportunity to attend workshops, seminars, and hackathons to gain technical knowledge and skills. Our goal is to equip students with the necessary tools to excel in their technical careers. We also provide mentorship, resources, and support to help students reach their full potential.</p> <p>We have organized three technical competition which are as follows:</p> <p><b>Bit Challenge</b></p> <p>The Techno Cultural Club, in collaboration with Microsoft Learn Student Ambassador, is organizing a three-hour long coding challenge. This exciting event promises to challenge your coding skills and test your ability to solve complex problems within a limited time frame.</p> <p><b>BGMI Tournament</b></p>	

**Step into a world where your skills reign supreme and the possibilities are endless , join this exciting event which promises to challenge your gaming skills and become a part of our ESports Community**

**National Technology Day is celebrated on May 11th every year to commemorate the successful testing of the Shakti-I nuclear missile at the Indian Army's Pokhran Test Range in Rajasthan on May 11th, 1998.**

**It encourages and inspires young people to pursue careers in science, technology, engineering, and mathematics (STEM) fields.**

**Hon'ble Vice Chancellor Prof. Ravindra Kumar Sinha addressed the gathering, emphasizing the need for students to embrace technology and stay abreast of the latest advancements in their respective fields. He urged them to take advantage of technology's many opportunities and use it to drive positive change in society.**

**The ceremony was graced by Dr. Vinod Karar, Chief Scientist at CSIR-CRRI and Professor at the Academy of Scientific and Innovative Research, who served as the Chief Guest for the event. Dr. Karar delivered an inspiring speech to the students, faculty members, and staff, in which he discussed the latest developments in the field of technology. He spoke about the growing significance of augmented, virtual, and mixed reality in various industries and how these technologies transform how we work and live. He also discussed the importance of aircraft display systems, airfield and naval ship lighting, and visual landing and navigation aids for naval and general aviation.**

**Prof. Sanjay K. Sharma - Dean School of ICT, in his speech, touched upon the School's commitment to excellence in education, research, and diversity is a testament to its importance as a hub of technological innovation and talent**

**Afterward, Dr. Mangey Ram Nagar, a successful Alumni of the University, currently Research Faculty in the Nano Organic and Photonics Lab, at NTHU Taiwan, shared his journey from being a student at GBU to a successful career in Taiwan in Technological Research.**

**The other Keynote Speaker was Mr. Gaurav Jha - Co-founder & CTO Driffle (a 2020 pass-out student from GBU) motivated the crowd by sharing his personal experience in starting a Startup and problem-tacking strategies in its upscaling process.**

**The next talk was from Mr. Vivek Singh, CEO (Ex-Student), who spoke about the requirement of commitment and dedication to make it big in the technical field.**

**Followed by technical events, the TRX Dance Club and Music Club of the Unversity captivated the gathering with their mesmerizing performances.**

**Finally, awards and prizes were given to the university alums and students who have made significant contributions to the field of technology, won different technical competitions, or contributed to organizing such events.**

The event was attended by a large number of students, faculty members, and staff from various departments of the university.

Overall, the National Technology Day event at Gautam Buddha University was a huge success. It provided an excellent platform for students and faculty members to learn about the latest developments in the field of technology. The university looks forward to organizing similar events in the future to promote the use of technology for social good and inspire the next generation of innovators.

The event organizers were the School of ICT, Institution Innovation cell( IIC) and the Techno Cultural Club.

### यूनिवर्सिटी में राष्ट्रीय प्रौद्योगिकी दिवस मनाया

■ एनबीटी न्यूज, ग्रेटर नोएडा : कासना स्थित गौतम बुद्ध विश्वविद्यालय में राष्ट्रीय प्रौद्योगिकी दिवस मनाया गया। कार्यक्रम में भाग इंजन के आधिकार से लेकर कॉर्गन के डिजिटल क्रांति तक के सफर के प्रमुख वैज्ञानिक और उनके योगदान पर चर्चा की गई। कार्यक्रम में बताया कि 11 मई के दिन 1998 में भारत ने दूसरी बार परमाणु परीक्षण किया था। इसी के उपलक्ष्य में 11 मई को राष्ट्रीय प्रौद्योगिकी दिवस मनाया जाता है। इस मौके पर कुलपति प्रो. रवींद्र कुमार सिन्हा आयोजित सभा को संबोधित किया। केंद्र मुख्य अतिथि के तौर पर सीएसआईआर-सीआरआई के मुख्य वैज्ञानिक और एकेडमी ऑफ सइंटिफिक एंड इन्वेंटिव रिसर्च के डॉ. प्रोफेसर विनोद कर्कर ने हिस्सा लिया।

## विश्वविद्यालय में राष्ट्रीय प्रौद्योगिकी दिवस मना

ग्रेटर नोएडा। गौतम बुद्ध विश्वविद्यालय में राष्ट्रीय प्रौद्योगिकी दिवस मनाया गया। विश्वविद्यालय में कोड क्राफ्टर्स-वेब डिजाइनिंग प्रतियोगिता, बीआईटी चैलेंज-प्रोग्रामिंग प्रतियोगिता और ई-स्पोर्ट्स प्रतियोगिता हुईं। राष्ट्रीय प्रौद्योगिकी दिवस हर साल 11 मई को मनाया जाता है। कुलपति प्रो. रवींद्र कुमार सिन्हा ने प्रौद्योगिकी को अपनाने और अपने संबंधित क्षेत्रों में नवीनतम प्रगति के बराबर रहने की आवश्यकता पर बल दिया।
